

Welcome to the Torreón at the NHCC!
Take this time to explore the [virtual tour](#) of
Frederico Vigil's *Mundos de Mestizaje* together!

👤 What stories do you have in your family, relating to one of the images you see?

👤 Can you find the rest of this image, and complete it? *Paz*, or peace, is written on Benito Juárez's shoulder. What is he holding in his hand?

 Pigment is the chalk-like substance that gives color to this form of mural painting. Can you find the one spot on the fresco where there is no pigment? Look carefully! Why do you think the artist left this area without color? Write your thoughts below!

 Can you find the oldest depicted (think pre-historic!) image in the fresco? What do you think it is? Draw or describe this image below!

 What's your favorite image in the fresco? Draw it below!

Extra space to doodle, draw, write - whatever!
